

Transfer International shares from another broker to Selfwealth

This form is to transfer all or part of your existing international holdings to Selfwealth.

Once completed and signed, please return the form along with a copy of all account holders' ID to **support@selfwealth.com.au**.

If you need any help along the way, you can also send questions to the email address above or via Live Chat.

Instructions and Common Questions

Once you receive confirmation from Selfwealth that the form has been completed correctly, you will need to forward the relevant transfer form to the broker you are transferring your holdings from.

The relinquishing custodian of your International holdings, may have rules that prohibit the release of transfers to another custodian.

You should always check with your custodian for their rules prior to submitting your transfer to Selfwealth.

What restrictions are there for transferring International shares to Selfwealth?

- You cannot transfer holdings where there is a Change of Beneficial Ownership (eg: Individual to a Joint etc.)
- You cannot transfer an odd lot value of a holding to Selfwealth for a Hong Kong exchange stock (eg: Transferring 331 quantity of a stock, when the board lot value is 100.)
- You cannot transfer fractional shares into your Selfwealth account, you will need to amend your total for each quantity so it is a whole number.
- You cannot transfer Over the Counter (OTC) stocks to your Selfwealth International Trading account.
- You cannot transfer certificated International holdings to your Selfwealth International trading account. We can only accept stock that is held electronically with another broker.
- PhillipCapital can only facilitate a transfer of stocks via the DTC method and does not facilitate a transfer via the ACATS or DRS method.
- By signing the International Stock Transfer form you confirm that you do not have any open orders with the releasing custodian that you are transferring stocks from.
